

Batman's Grandma

I'm not lazy
and I'm not short,
but I ain't got time
to woo and court.
I met a girl
she's lots o' fun
it's Batman's Grandma
she's the one.
Few befriend us
none will quote us
'Cuz we got a thing
for the genus myotis.
Her grandson gave her
a cool umbrella
belonged to Penguin,
he's quite a fella.
But being his grandma
can be a pain
she doesn't know her grandson
is Bruce Wayne.
And every time
I try to poke her,
she'll push me off
and call me Joker.

Batman's Grandma
she's for me
yes, I love her
... criminally.
