

## **If Mayonnaise Were My Pet**

If mayonnaise were my pet  
I'd guard it with my bayonet  
for I am sure that ev'ry knife  
would want a glob of sweetie's life  
Yeah it's true, she's not a dog,  
a cat, a bird, or a little frog  
but I will cry and write a ballad  
if she ends up in potato salad
