

## **The Incredibly Sad Tale of Brendal Spaetzle**

Brendal Spaetzle  
long of limb,  
part crustacean.  
His Mother chose to give him birth,  
but then abandoned him.  
He bought a bike,  
He bought a cap,  
with money he had found.  
He shopped about  
for 13 weeks  
and then went westward bound.  
He headed straight  
for Hollywood,  
he had a tale to tell.  
The story of "Crustacean Boy,"  
whose kin put him through hell.  
He got his chance,  
he took his shot,  
they put him on the screen.  
'Twas then that Brendal did find out  
'de meaning of demean.  
The critics snored,  
the public screamed  
"It's pity party fodder!"  
That's when Brendal jumped into  
a pot of boiling water.
